

## Evonik increases prices of active oxygen products

April 3, 2012

Evonik Industries announces a price increase in the range of 15 percent for active oxygen products in Europe, Middle East and Africa.

The increase of all grades will be effective from May 1, 2012.

Evonik is one of the world's leading suppliers of active oxygen products and related services with more than 100 years of experience in the business. The group offers a broad product range of specific applications within various industries as pulp & paper, mining, chemicals as well as food and environment.
